

Diversity Matters 2 U.S. Award

This award was created in memory of former Canisteo Central School District Superintendent Robert Wood. Mr. Wood worked tirelessly "behind the scenes" to insure our students had the best Business teachers, courses, and computer equipment to prepare our graduates, for the ever-changing technology in both higher education and the "real" business world. This award is given in Mr. Wood's memory to a senior who personifies the same diligence, integrity, character, and business savvy in his or her everyday actions.

Selection Committee/Process: Mr. Bob Nixon
