

Tyler S. "Ty" Davis Memorial Award

This award was created in loving memory of my best friend's son, Tyler Davis. Ty died unexpectedly on November 24, 2013; he was 19 years old and in his second year of college at the time. Tyler possessed a true zest for life. He was a very compassionate and kind young man who reached out to help those around him. This award is given in his memory to a senior who personifies the same goodness, compassion, and kindness in his or her everyday actions.
